Request for Bid

Re: Jail Laundry Service

Catron County is taking bids for their jail laundry service. Billing and payment will be made by the outgoing weight of laundry per pound, always rounded up to highest weight per pound. An average washer will easily handle 6 - 8 pounds of laundry. Laundry must be returned folded within two days.

Please write your bid amount per pound and return letter in sealed envelope. Pick up copy of bid letter at the Commission office during regular business hours. Bids to be returned by September 16 at 4pm. Low bid that meets criteria will be temporarily awarded until the October commission meeting, where it will be made official.

Catron County
